The PADI ADVANCED open Water Course from Marseille Provence Diving

Program Description:

- 2 Knowledge Development sessions.
- 8 Scuba dives in open water.
-

The PADI ADVANCED open Water Course, As a certified diver, you've probably already discovered that scuba diving is more than just getting wet. It is a vehicle to a wide range of activities and interrelated skills that create adventure, fun and recreation for people wide interests. You may have a growing interest in underwater photography which is becoming ever popular these days – maybe a desire to explore new shipwrecks or just dive that little bit deeper.

There are many advantages to the PADI Advanced course

some being:

- It will afford you 5 more dives under the direct supervision of a PADI professional diving instructor to hone your skills.

- You'll have the opportunity to experience some of the desirable under water activities such as photography, drift dives, wrecks or night dives.

- It will give you further awarded license to dive that much deeper to 30 meters exposing you to many more dive sites that the professional scuba diving shops and centers would not have allowed you to explore as an Open Water Diver if too deep.
